## **Citizens Join Hands to Oppose Offshore Drilling and Support Clean Energy**

When: Saturday, June 26<sup>th</sup> 11:45am-12:15pm

Where: All across Wrightsville Beach. Media and organizers meet at Johnny Mercer's Pier.

What: We will be forming a human line across the sand as a statement to oppose offshore oil drilling and to support clean energy. This event is part of an international movement where thousands of American citizens will stand up against offshore drilling and the threat that it poses to America's coastal economies and marine environment. At exactly 12:00 am we will form the line on the oceanfront and stand hand in hand for 15 minutes. <http://www.handsacrossthesand.com/>
